Response to Office Action

Dear Sir:

This paper is filed in response to the species election requirement contained in the Office
Action mailed March 14, 2006. In the Office Action, an election of species requirement is stated
as follows:

- (1) The species or the embodiment of FIG. 3;
- (2) The species or the embodiment of FIG. 4; and
- (3) The species or the embodiment of FIG. 5A.

In response to the species election requirement, Applicants hereby elect the subject matter of species (3) (i.e., FIG. 5A). Claims 1-20 are believed to read on species (3).

The above-noted provisional election of species (3) is submitted in compliance with 35 U.S.C. §121 and is made without prejudice to the non-elected species. In this regard, Applicants note that the pending claims at issue are more directed to the methods described with reference to FIGS. 6-9 of this application, rather than to any particular approach to measuring a change in pressure.

An action on the merits of all claims and a Notice of Allowance therefore, are requested.

Respectfully submitted,

Kevin P. Radigan, Esq.
